

ADVERTISEMENT - REQUEST FOR QUALIFICATIONS

Sealed Statements of Qualifications will be received by the Harrison County Utility Authority at **10271 Express Drive Gulfport, MS 39503 until 10:00 a.m., Friday, April 3, 2020**, for Construction – Phase services in connection with:

Upgrades to the HCUA Long Beach Interceptor system and to redirect of flows to the HCUA's CDBG-constructed S-12d system. These projects are generally identified in the HCUA's Facilities Plan as the SP-12 and SP-13 projects. Construction – Phase Engineering services include, but are not limited to, project management, construction-phase engineering and inspection, resident project representative (RPR) and close-out documentation.

The selected firm shall provide construction – phase engineering services related to the scope of work described in the Information Packet.

Information packets will be located at 10271 Express Drive Gulfport, MS 39503, Monday through Friday, 8:00 a.m. to 5:00 p.m. Engineering firms/individuals should submit a list of their qualifications, experience, and capacity for performance. Firms/Individuals must submit the name of the primary contact person and the person within the firm (if applicable) who shall be the Owner's contact and party primarily responsible for rendering services, if selected.

Additional information regarding the scope of work for this solicitation may also be examined at the following locations:

- A. Mississippi Procurement Technical Assistance Program (MPTAP)
Mississippi Development Authority, Minority & Small Business Development

501 North West Street
Suite B 01
Jackson, MS 39201
- B. South MS Contract Procurement Center
1636 Popps Ferry Road, Suite 203
Biloxi, MS 39532
Phone (228) 396-1288

Any contract awarded under this solicitation may be paid for in whole or in part with grant funding from the Department of the Treasury and the Mississippi Department of Environmental Quality under the Resources and Ecosystems Sustainability, Tourist Opportunities, and Revived Economies of the Gulf Coast States Act of 2012 (RESTORE Act). Other state/federal funding grants/loans may also be applied, if available, to the completion of this project. Any contract resulting from this solicitation will be subject to the terms and conditions of said funding award, the RESTORE Act Financial Assistance Standard Terms and Conditions and Program-Specific Terms and Conditions, the Standard Sub-Award Terms and Conditions, the RESTORE Act, 33 U. S.

C. 1321(t), Treasury Regulations 31 C. F. R. § 34 et seq., including 31 C. F. R. §§ 34, Subpart D, all applicable terms and conditions in 2 C. F. R. Part 200 (including Appendix II to Part 200), and all other OMB circulars, executive orders or other federal laws or regulations, as applicable. Should additional funding sources be used for any position(s) of this project(s), engineer shall be required to comply with all requirements of these additional program(s). The Mississippi Department of Environmental Quality, the United States, or any of its departments, agencies or employees are not and will not be a party to this solicitation or any resulting contract.

Minority and women's business enterprises are solicited to submit a statement of qualifications and are encouraged to make inquiries regarding potential subcontracting opportunities. When subcontracting, all potential contractors must make positive efforts to use small and minority owned business and women business enterprises. See 2. C. F. R. §200.321.

If you have any questions concerning the Request for Qualifications, please call Candice Sardin at (228) 868-8752 or email at csardin@hcua-ms.us.
